### **What access will I have to my booth space for restocking, etc.**

You will have access to your booth before the Fair opens daily. The Vendor Building is located at our Primary entrance to the Fair and patrons will walk through the building. ### **Tear down or dismantling of your booth space**

At no time will you dismantle your booth space until the last night of the Fair. You may begin to dismantle your booth space after 9pm the last night of the Fair. All items must be hand carried because of continued patron traffic.
